The Oakland Plan has developed draft proposals for safety and infrastructure improvements to Robinson St.

Please rank what elements/changes on Robinson Street are most important to you

Project Goal Preference	Rank 1-8
Reduce Traffic	
Slow Traffic	
Improve intersection safety	
Convert Robinson to a one-way street (northbound/uphill only) between Fifth and Terrace (two-way above Terrace)	
Increase trees/landscaping	
Improve bicycle and pedestrian access near Fifth Avenue's future Bus Rapid Transit station	
Cars and bicycles share the street (using same lanes as today)	
Maintain on-street parking	

Which potential Robinson St. design changes would you most like to see? (Choose your top three)
