Termon Avenue Traffic Calmin

Chicanes

- Series of bumpouts on alternating sides of street that induce slower speeds by creating a Sshaped roadway
- Parking is maintained through length of corridor and alternates sides as a condition of the chicane however does require parking removal through limit of chicane

Rendering of Chicanes

- Pilot Project
 - Re-strip road
 - Self-watering planters designed for in-roadway use
 - Bollards or flexposts for sight lines and delineation of movement

Boston, Mass.

Traffic Circles

- Raised island in middle of intersection that requires all vehicles entering intersection to yield to those already in circle
- Effective at calming speeds and eliminating dangerous angle crashes

N. Euclid Avenue, Highland Park

Termon Ave Timeline

Project Schedule

- May 27: Traffic Calming requested
- June 7: Application confirmed
- July 20: Data Collection complete
- November 3: Public Meeting #1
- March 16 2022: Public Meeting #2
- May/June 2022: Construction including chicane pilot and permanent traffic circle
- June October 2022: Post-construction evaluation and final determination
- Spring 2023: Permanent installation of chicanes pending evaluation
