## UEFA Europa League Final 2024-2025 : Tottenham vs Manchester United

### Match Overview

The UEFA Europa League 2024-25 final promises an exhilarating showdown between two Premier League powerhouses, Tottenham Hotspur and Manchester United. Taking place at the iconic San Mames Stadium in Bilbao, Spain, the match will kick off at 12:30 AM IST on Thursday, ensuring an electric atmosphere for fans across the globe.

### Road to the Final

- Tottenham Hotspur: Spurs stormed into the final with an impressive 5-1 aggregate victory over FK Bodo/Glimt in the semi-finals. Historically, Tottenham has enjoyed success in this competition, having lifted the UEFA Europa League trophy twice, in the 1971-72 and 1983-84 seasons.

- Manchester United: The Red Devils showcased their dominance with a commanding 7-1 aggregate win against Athletic Bilbao. United is no stranger to European glory, having claimed the Europa League title once in the 2016-17 season.

## **Key Players to Watch**

- Tottenham Hotspur: Harry Kane, the prolific striker, will be pivotal to Spurs' attacking strategy. His ability to find the back of the net and create opportunities for teammates makes him a constant threat.
- Manchester United: Bruno Fernandes, United's midfield maestro, is crucial for orchestrating play and breaking down defenses. His vision and set-piece prowess could be decisive.

## **Historical Context**

This final marks another chapter in the rich history of the UEFA Europa League, a competition that has seen remarkable moments. Notably, Manchester United's last appearance in the final ended in heartbreak with a narrow penalty shootout loss to Villarreal in the 2020-21 season.

As Tottenham and Manchester United prepare for this epic clash, fans can expect a thrilling encounter filled with drama and skill. With both teams boasting a mix of seasoned campaigners and emerging talents, the stage is set for a memorable finale. Who will emerge victorious and etch their name in European football history?

Man United are currently 16th in the Premier League standings, while Tottenham are a position below them in 17th spot, meaning that winning the final is both clubs' only way back to European competition next season since the winner of the Europa League secures automatic qualification to the UEFA Champions League.

Interestingly, Tottenham have won all three fixtures against Man United in the ongoing campaign. Spurs beat United at home as well as away in the league and also knocked them out of the League Cup.

However, United hold the advantage in the overall head-to-head against Tottenham. The two teams have met 176 times with United winning 90 and Tottenham registering 43 victories. As many as 43 matches between these teams have ended in draws.
